Two Volumes

SWEET & MAXWELL

ISBN: 9781847037763

Two volumes

Price: £335

May 2013

Author: **Professor Raj Bhala**

THOMSON REUTERS™

Modern GATT Law explains clearly and thoroughly the rules of GATT and connected provisions in other WTO treaties, whilst also examining the case law interpreting and applying these rules.

Now a two-volume work, Modern GATT Law features all the content you need.

For each GATT Article and connected WTO provision, the treatise:

- examines the relevant business issues
- explains the meaning of the Article and provision
- analyses all interpretive and adjudicatory decisions that bear upon them
- reviews and critiques alternative theoretical underpinnings
